¹ For an individual/sole proprietor, use full legal name (first, middle initial, and last) exactly as it appears on a current valid driver's license. For a legal entity, use the full legal name of the entity. ² Mobile # is required to text you a one-time passcode to verify your identity before collecting information electronically, and to send other transaction notifications. ³ The number of workers includes full-time, part-time, and seasonal workers of the applicant and its affiliates, as well as contractors working primarily for the applicant and its affiliates. It does NOT include the principal owners of the applicant or any volunteers. ⁴ "Affiliate" is defined in the regulations of the U.S. Small Business Administration. Generally, entities are affiliates of each other when one controls or has the power to control the other, or a third party or parties control or have the power to control both. It does not matter whether the control is actually exercised, as long as the power to control exists. A few common examples of "affiliates" are majority-owned subsidiaries and sibling companies that share the same ownership. Refer to <https://www.ecfr.gov/current/title-13/section-121.103> for further guidance.

REPORTING AND NEGATIVE INFORMATION. We may report information about your account to credit reporting agencies. Late payments, missed payments, or other defaults may be reflected in your credit report.
