ZX17U-5N | ZX26U-5N | ZAXIS-5 series

Reliable Solutions

ZX26U-5N

ZAXIS 17

ZAXIS 26

Compact Excavators

SPEC SUMMARY

	ZX17U-5N	ZX26U-5N
Operating Weight	3,790 lb. (1,720 kg)	5,560 lb. (2,520 kg)
Net Power (ISO 9249)	14.7 hp (10.8 kW) at 2,400 rpm	20.3 hp (14.9 kW) at 2,500 rpm

A PERFECT FIT: INTUITIVE COMPACT EXCAVATORS

The ZAXIS-5N series of compact excavators puts you firmly in control, so you can feel confident in your machine's performance, and be supported by the technological expertise and services that Hitachi Construction Machinery Americas provides.

HIGH PERFORMANCE & QUALITY

ZX26U-5N

Versatility

- **Zero tail swing** to work safely in narrow job site.
- **Variable track width** (ZX17U-5N)
- **1-way/2-way selector valve** for attachment mode (breaker and grapple).
- **3-way selector valve switch** over the hydraulic route to thumb or breaker operation. (ZX26U-5N)
- Wider working range for small equipment.
- **Auxiliary function lever** for various attachments. (ZX26U-5N)

Quality Details

- **Boom Cylinder Guard:** The boom cylinder is protected with a cylinder cover to increase durability.
- **Hose Protectors** protect hydraulic hoses on the boom arm.
- Standard **auxiliary hydraulic lines** are plumbed to the end of the boom to simplify attachment use.

- **Durable rubber tracks** minimize ground damage and allow machines to cross virtually any terrain, including paved surfaces.
- **Standard backfill blade** adds versatility enabling these compact to grade and backfill as well as provide extra stability.
- **Blade expansion pins** allow you to effortlessly expand the width of the blade to match the track width (ZX17U-5).

Adjustable Crawlers and Blade

Crawlers can be extended and retracted with the control lever; retracted for truck transport and easy access to narrow job sites, and extended for surefooted excavation and additional balance (ZX17U-5N).

High-Performance

- **Full hydraulic pilot valve**
- **Higher productivity**
- **Dozer blade** for easy operation and better productivity with soil-less backplate

ZX17U-5N

EASY MAINTENANCE

Easy, ground-level access maintenance points for lubrication.

Longer maintenance interval

Parallel-aligned cooling package for easy cleanup.

Larger engine cover and wider space for maintenance.

Easy to clean radiators

Wet-disc swing brake provides long term maintenance-free performance.

Hinged service door provides wide-open access to the side-by-side oil cooler and radiator for easier core maintenance.

Side-by-side cooling cores resist debris buildup. Dedicated door provides easy access for cleaning.

Spin-on filters provide quick, easy access for filter maintenance.

Ground level at-a-glance gauges for ease of daily inspection and servicing.

Vertical Sliding Engine Cover

The upright engine cover, updated from the conventional model, slides vertically with less rear projection for ease of maintenance in confined spaces.

Easy Access Fueling

Large fueling port adapted from the larger excavator models allows for quick fueling.

Easy Access Engine Compartment

The operator seat tilts up to reveal the engine compartment for ease of maintenance.

ZX26U-5N

Easy Access for Engine Maintenance

With the seat tilted up, the top of the engine is exposed for easy maintenance.

*Removal of a plate from under the seat is required.

Smaller, Lighter Fuel Tank Cover

ZX26U-5N

2-way pattern changer

Hydraulic pump

Pilot filter

Control valve

Spare power supply (12 V)

One-touch-open radiator cover and large cooling duct with impressive cooling ability

2-Way Selector Valve

With the 2-way selector valve, the operator can effortlessly select the piping for the breaker or grapple.

Breaker ⇄ Grapple

ZX17U-5N

- **Joystick controls** for effortless operation.
- **Ergonomic design** gives you convenient access to controls.
- **Operator control panel** makes operation easier.
- **Improved sound isolation** provides quiet environment for the operator (ZX26U-5N cab spec).
- **Optimal pedal layout** helps to reduce fatigue.
- **Hydraulic Pilot Control levers** provide smooth control of the front, blade, swing and travel. The levers are ergonomically arranged for easier access and to prevent fatigue.
- **Simple, easy to read LCD display** provides operational data at a glance.
- **Drink holder** is easy to reach from the operator station.

CONTROL AND COMFORT ZONE

Enhanced comfort and safety features are at your fingertips in the refined cab of ZAXIS-5N excavators, giving you the power to perform productively, with ease and reduced fatigue.

Spacious operator station

Fitted with a wide and adjustable sliding suspension seat and adjustable arm rest, the ZX17U-5N and ZX26U-5N provide a high level of comfort for operators.

Easy operation

Intuitive controls are in easy reach of the operator and the hydraulic pilot control levers ensure a smooth operation. Low noise levels allow operators to work more comfortably.

Enhanced design

The ZX17U-5N and ZX26U-5N are equipped with lights on the cab and boom.

Perfectly Positioned Pedals

The swing boom and foldable travel pedals on the ZX26U-5N are positioned for easy operation, yet allow plenty of foot room.

Operator control panel makes operation easier.

Joystick controls for effortless operation

ZX17U-5N

ZX26U-5N

Comfort

- Ergonomically designed operator station.
- Low noise level.
- Comfortable seat with suspension and slide features.
- Wider and spacious cabin with large door. (ZX26U-5N)

Easy Access

Spacious operator stations have wide entryways, making entering and exiting the cab safe and easy.

DURABILITY AND SAFETY

ZX17U-5N

Durability and Safety

HN Bushings

Grease impregnated HN bushings and pins provide long 500-hour lubricating intervals.

Highly durable front attachment.

Safety canopy to protect operator.

Boom hoses are positioned to protect from damages.

- The rugged 3-pillar canopy effectively protects the operator against tipping and falling objects. ROPS (Roll-Over Protective Structure), (ZX17U-5N)
- The rugged 4-pillar canopy effectively protects the operator against tipping and falling objects. ROPS (Roll-Over Protective Structure), (ZX26U-5N)

Neutral Engine Start System

The engine cannot start unless the shut-off lever is in the locked position, providing safe operation.

SERVICE AND SUPPORT

ZX17U-5N | ZX26U-5N

ZX26U-5N

Reducing the Total Cost of Ownership

Through our long-term commitment to maintaining a leadership position in technology and service, Hitachi Construction Machinery Americas supports an extensive network of independent, authorized local dealers focused on providing you with knowledgeable and experienced sales, service and parts personnel.

Your Hitachi Construction Machinery Americas authorized local dealer has the resources, knowledge and personnel to work with you to ensure that you receive the most benefit from your construction equipment investment utilizing carefully designed programs and services in conjunction with extensive hands' on training and digital resources.

Hitachi Construction Machinery Americas provides a totally focused approach to supporting you, your business, and your machines.

- Full manufacturer's warranty
- HELP, Hitachi Extended Life Program
- Local parts depot backed by the Hitachi Global Parts Network
- Hitachi Genuine parts

HITACHI

Reliable Solutions

REPUTATIONS ARE
BUILT ON IT.

Hitachi Construction Machinery Americas Inc. is a leading provider of construction and mining machinery services and solutions in North and Latin America. Our manufacturing facilities are located in Banshu, Ryugasaki, Tierra, Hitachinaka, and Tsuchiura, Japan, while our U.S. corporate office is in Newnan, Georgia. Our experienced team of professionals is well-equipped to design, engineer, manufacture, and service your machinery.

Through our long-term commitment to maintaining a leadership position in technology, service, and support, we support an extensive network of independent, local dealers focused on providing you with knowledgeable and experienced sales, service, and parts personnel — all backed by our dedicated support teams.

Your Hitachi Construction Machinery Americas authorized local dealer has the resources, expertise, and personnel to work with you to ensure that you receive the most benefit from your investment. You can also utilize carefully designed programs and services in conjunction with extensive digital resources. Our focus is entirely on supporting you, your business, and your machinery.

If you are searching for a reliable partner for your construction machinery needs, we invite you to explore our offerings and experience the difference with Hitachi Construction Machinery Americas.

Machines representative of global product. Options may not be available in all markets. Prior to operating this machine, including satellite communication system, in a country other than a country of its intended use, it may be necessary to make modifications to it so that it complies with the local regulatory standards (including safety standards) and legal requirements of that particular country. Please do not export or operate this machine outside the country of its intended use until such compliance has been confirmed. Please contact your Hitachi Construction Machinery Americas authorized local dealer in case of questions about compliance. These specifications are subject to change without notice. Illustrations and photos show the standard models, and may or may not include optional equipment, accessories, and all standard equipment with some differences in color and features. Before use, read and understand the Operator's Manual for proper operation.
